Re: *United States of America v. Anthem, Inc.*, No. 20 Civ. 2593 (ALC) (KHP)

Dear Judge Parker:

This Office represents the United States of America (the “Government”) in the above-referenced lawsuit. We write respectfully to request that the Court temporarily seal, until April 28, 2025, the motion to compel Anthem to produce documents that it has withheld or redacted on the basis of privilege, which the Government filed today (the “Government’s Motion”). The reason for this request is that the Government’s Motion includes quotations from documents designated by Anthem as Confidential pursuant to the operative protective order, ECF No. 96. Further, in light of the Court’s April 10, 2024, Order directing the parties to “make a specific showing that higher values justify” any redactions remaining under seal, we request that the redactions in the Government’s Motion be subject to the same procedure set forth in the Court’s Order, whereby a party may file a motion by April 28, 2025, requesting that the redacted information remain under seal after April 28, 2025. See ECF No. 199, at 4.

Lastly, the Government also respectfully requests permission to file on the docket a version of the Government’s Motion that redacts the information that Anthem had previously designated as Confidential, so that the Government’s Motion remains appropriately on the public docket (except for the redactions to the information designated as Confidential) in the interim. Anthem consents to the Government’s requests.

We thank the Court for its consideration of these requests and attention to this matter.

Respectfully submitted,

MATTHEW PODOLSKY
Acting United States Attorney
